Capital chef is set to cook up wedding plans

■ EDINBURGH chef Tom Kitchin is getting married.

The 29-year-old, who recently opened The Kitchin, in Leith's Commercial Quay, is to tie the knot with his Swedish partner Michaela Berselius on Saturday.

But there are no plans for a relaxing honeymoon as Kitchin, who has worked with some of the world's top chefs, has pledged to go back to work two days later.

On the guest list is the three Michelin-starred Pierre Koffmann.
